

### Remarks

In the Notice of Non-Compliant Amendment mailed March 8, 2004, the Examiner objected to the Listing of Claims as being incomplete. Applicant herein resubmits the Listing of Claims in correct form.

In view of the revisions set forth herein, it is submitted that the application is now in condition for allowance. An early notice to that effect is earnest requested.

Respectfully submitted,

FAY, SHARPE, FAGAN,  
MINNICH & MCKEE, LLP
